## **TO OUR Volunteers**

Our gratitude and appreciation for you are beyond measure!  
You – individuals, community organizations, local businesses, our  
friends and families – generously give your talent, commitment,  
support, and hundreds of hours of your time to this event, year after  
year. It's because of you that the kids of this community have a safe  
environment where they can realize their full potential.

Indeed, great futures *do* start here. Thank you!
